

Installation Instructions - FNH ONLY

WARNING: For all models available, first and foremost, make sure your gun is clear of all ammunition and in a safe condition.

Please read ALL instructions before beginning. Always wear safety glasses when working on your gun.

FNH – We include a RCI “regular” length spring and a RCI LONG Spring. Most people prefer the LONG Spring to get that last shell into the chamber reliably because of the extra pressure. You may have to cut down a little off the LONG spring to make it to your optimal length. We recommend cutting no more than 2 coils at a time and then testing to get your preference. Any questions, please call us at 920-585-6534.

1. Remove your existing magazine tube cap, spring, and follower.

Note: If you have a gun that uses detents in the magazine tube to hold in the plug spring and follower, it will be necessary to drill out the detents to add any extension tube system.

2. Thread the RCI XTENSION tube on to the gun’s existing magazine tube to the desired tightness.
3. Remove tube end cap. Install RCI follower and spring. Put the end cap back on and tighten. **DO NOT OVERTIGHTEN!**
4. Installation is complete.

A barrel clamp is recommended to keep all extension tubes from loosening during use. (Optional – not included)

All Roth Concept Innovations (“RCI”) products have a 1 year limited warranty. The warranty applies towards defects in materials or workmanship. Any repairs or modifications not done by RCI voids any warranty.

Disclaimer - ALWAYS PRACTICE SAFE FIREARM HANDLING!!! DO NOT POINT GUN AT YOURSELF OR ANYONE ELSE, EVEN WHEN LOADING! KEEP HANDS CLEAR OF BARREL! Roth Concept Innovations LLC is not responsible for any accidents/injuries that could occur while mishandling/misusing any of our products, or any other unsafe actions performed by user, including but not limited to: unsafe firearm handling. WHEN LOADING GUN, HAVE SAFETY ON! DO NOT LOAD AMMUNITION IN CHAMBER UNTIL YOU ARE READY TO FIRE. IN CASE OF MECHANICAL ISSUES WITH YOUR GUN or any RCI Products, REMEMBER TO ALWAYS MAKE SURE YOUR GUN IS SAFE BEFORE ADDRESSING ANY ISSUES (i.e. EMPTY CHAMBER)!

Disclaimer - U.S. Regulations: It is your responsibility to know and follow All, Federal, State and local gun laws regarding owning, possessing, using, buying, selling, distributing, or any other aspect in respects of Roth Concept Innovation's products.

Disclaimer - RCI is in NO way responsible for damage to your gun.
